Employment Experience

Application Developer, **Miller & Martin PLLC**

Summer 2004-Present
Responsibilities & Accomplishments Delivered line-of-business applications to major stakeholders of the firm. Assisting in analysis, design, and coding of a full rewrite of in-house Client-Management software. Utilized technologies such as Microsoft Office Managed-Code Add-ins, T-SQL, ASP.NET, C#, and VB.NET to provide custom-fit solutions to business needs.

Resident Assistant, Covenant College

Fall 2003-Spring 2004

Responsibilities & Accomplishments Successfully interfaced between the Student Development Office and the student residents of 2nd South, Carter Hall by communicating the big picture of living in an designed, contracted community and enforcing practical concerns regarding and living conditions. Unified thirty-seven diverse residents into an intentional group of men that respected differences while uniting in celebration and support of each other.

Editor in Chief, *The Bagpipe*

Fall 2002-Spring 2003

Responsibilities & Accomplishments As Editor in Chief of the Covenant College student newspaper, I was responsible for creating and sustaining a worthy, accurate, engaging, and intelligent bi-weekly newspaper, targeted to and funded by the student body. In charge of a news staff consisting of sixteen-odd people from diverse backgrounds and differing views, I both managed the staff and harmonized the many opinions into a coherent news product. I was also the art director for the newspaper, responsible for the look of every issue as well as the actual graphic production, with assistance. **Contact** **Cliff Foreman**, faculty advisor, **Justin Johnson**, News Editor

Pine Cove Camps

Summer 2002

Responsibilities & Accomplishments Wild Woods (Grade school) kids Counselor, Ski Instructor, and Lifeguard. Led, taught, and played with groups of 5-10 kids as a member of a twenty-odd Counselor team. Drove boats for and instructed in elementary water sports such as water skiing, wakeboarding, and kneeboarding as a Ski Instructor. As a Lifeguard, Red Cross certified in Lifeguarding and First Aid, worked with a six-person team to ensure complete pool safety. **Contact** **Jeff Suggs**

Pendergraphics Design Group

Summer 1999 - Summer 2001

Responsibilities & Accomplishments Intern (Summer 1999), Production Designer (1999), and Web Developer (2000 on). Brought a successful design firm into the digital age as their chief web developer. Lead numerous projects from conception to design to final implementation. See portfolio below for an example project.

Contact **Matt Pendergraff**, **Brent Colaw**

Covenant College A/V Services

Spring 2001

Responsibilities & Accomplishments Run sound and video for various college functions during the school year.

Contact **Rebecca Dodson**, **Jeff Larson**

Pine Cove Camps

Summers, 1997-1998

Responsibilities & Accomplishments "Yahoo!" was a member of Timothy Team (Summer 1997) and a Kids Camp Counselor (Summer 1998)
Contact

;) inc Consulting

1996-2000
Responsibilities & Accomplishments Started my own small consulting firm focused on computer hand-holding and technical, at-home support. Made my own cool business cards, met some nice people, generated extra cash.

Professional Memberships ACM/p>

Portfolio

Covenant College Bagpipe, Fall 2002-Spring 2004

Responsibilities Art Director and Editor in Chief, creative, design, and editorial responsibility of ten 12-page issues of the bi-weekly student newspaper.
Download [Issue 9](#), [Issue 7](#)

NukeKepler, Spring 2003

Responsibilities As a member of an ad-hoc five-person team, led design and assisted in programming for a portal concept targeted at Covenant College students and associated groups. The portal, built using open-source PHP-Nuke software with XML and MySQL, features a single login page for multiple IIS password-protected servers, personalized news and weather, and a built-in documentation system. Done as part of the class requirements for ICS375, Software Engineering.
Contact **Professor Randy D. Smith**, Instructor, **Craig Bosma**, WDK Team Leader.

Covenant College Tartan, Spring 2002

Responsibilities Assistant Layout Editor, creative and design on the "Hall" pages of the college yearbook, a ~33 page spread.
Contact **Em Clutcher**

Responsibilities Assistant Layout Editor, responsible for select pages of the official, independent college newspaper.
Contact Aaron Mesh, Editor

Accomplishments Completed a three-week intensive, introductory course in photography theory geared for high school students. Some of my work was exhibited at the summer's end Arts Encounter showcase. Online photos forthcoming.
