## Professional Dreams and Objectives

Stewarding a entry-level position within a distinctive department of IBM that utilized my skills in **innovative design**, **strategic thinking**, **technical adeptness**, and **disciplined creativity**.

## Qualification Highlights

- **2 1/2 years of web and design industry experience**
- **Dual BA degrees in Information & Computer Science, and Philosophy**
- **Strong analytic background melded with creative design skills**
- **The discipline, developed through my philosophical studies and life experiences, to think and act strategically**
- **Full Portfolio, Employment History, References, and Professional Letters of Recommendation available upon request**

## Key Portfolio Highlights

Covenant College Bagpipe, Fall 2002-Spring 2004

**Responsibilities** Art Director and Editor in Chief, creative, design, and editorial responsibility of ten 12-page issues of the bi-weekly student newspaper.

**Download Issue 9, Issue 7**

**NukeKepler**, Spring 2003

**Responsibilities** As a member of an ad-hoc five-person team, led design and assisted in programming for a portal concept targeted at Covenant College students and associated groups. The portal, built using open-source PHP-Nuke software with XML and MySQL, features a single login page for multiple IIS password-protected servers, personalized news and weather, and a built-in documentation system. Done as part of the class requirements for ICS375, Software Engineering.

**Contact Professor Randy D. Smith**, Instructor, **Craig Bosma**, WDK Team Leader.

Covenant College Tartan, Spring 2002

**Responsibilities** Assistant Layout Editor, creative and design on the "Hall" pages of the college yearbook, a ~33 page spread.

**Contact Em Clutcher**

**OkWU.edu**, Summer 2001, Pendergraphics Design Group

**Responsibilities** Lead UI and graphic designer. Integrated the website look and feel with other collateral to form a tightly unified website focused on recruiting prospective students. Other responsibilities included back-end ASP programming and administrative tools programming.

**Contact** **Matt Pendergraft, Becky Casselberry**

Arts Encounter, Summer 1999

**Accomplishments** Completed a three-week intensive, introductory course in photography theory geared for high school students. Some of my work was exhibited at the summer's end Arts Encounter showcase. Online photos forthcoming.

## Education

### Covenant College

2000-Present

Cumulative GPA: 3.3

Honors: Maclellan Scholar (2000-Present)

Majors: B.A. in Information & Computer Science, B.A. in Philosophy.

Projected to graduate in May 2004.

**Key classes** **Basic Photography, History of Philosophy I-II, Software Engineering.**

**Contact** **Dr. Bill Davis** (Professor of Philosophy, Advisor),

**Mr. Randy Smith** (Professor of Computer Science)

### Torchbearer Bible School Yamanakako

Graduate, 2003

Completed a culturally-immersive seven-week summer course covering subjects from the Bible, as well as Japanese history, religions, culture, and language.

**Contact** **Bernhard Triebel**, Principal

American Christian School of Bartlesville

Graduate with Honors, 2000

Honor Roll, 1996-2000.

Student Council Vice President, 1997-1998.

Student Council President, 1998-1999.

Student Council Chaplain, 1999-2000.

## Key Employment Experiences

Resident Assistant, Covenant College

Fall 2003-Present

**Responsibilities & Accomplishments** Successfully interfaced between the Student Development Office and the student residents of 2nd South, Carter Hall by communicating the big picture of living in an designed, contracted community and enforcing practical concerns regarding and living conditions. Unified thirty-seven diverse residents into an intentional group of men that respected differences while uniting in celebration and support of each other.

**Contact** **Mallory Dean**, Resident Director

### Editor in Chief, *The Bagpipe*

Fall 2002-Spring 2003

**Responsibilities & Accomplishments** As Editor in Chief of the Covenant College student newspaper, I was responsible for creating and sustaining a worthy, accurate, engaging, and intelligent bi-weekly newspaper, targeted to and funded by the student body. I was also the art director for the newspaper, responsible for the look of every issue as well as the actual graphic production, with assistance.

**Contact** **Cliff Foreman**, faculty advisor, **Justin Johnson**, News Editor

### Pendergraphics Design Group

Summer 1999 - Summer 2001

**Responsibilities & Accomplishments** Intern (Summer 1999), Production Designer (1999), and Web Developer (2000 on)  
**Contact** **Matt Pendergraff**, **Brent Colaw**

## Professional Skills & Credentials

**Foreign Languages** Conversant in Spanish and Classical Greek

**Computer Languages** Fluent in Java, HTML, XHTML, and CSS; conversant in C, ML, XML, PHP, MySQL, and Javascript

**Computer Programs** Fluent in Macromedia Dreamweaver, Adobe Photoshop, Adobe InDesign, and emacs. Coversant in the rest of the Adobe Design Suite, Apple ProjectBuilder and XCode, SubEthaEdit, and Maya.
